CONNECT WITH A CORPORATE OR NON-PROFIT RESEARCH PARTNERSHIPS MANAGER WHO WILL:

- › Discuss your research needs, assess opportunities, and identify potential collaborations
- › Make relevant introductions within Waterloo's renowned research centres and institutes, and facilitate access to cutting-edge laboratories
- › Recommend funding opportunities to supplement and leverage research budgets
- › Guide discussions on key issues including Waterloo's flexible inventor-owned IP Policy

The University of Waterloo is a leading global innovation hub driving economic and social prosperity for Canada and the world.

With more than 41,000 students, we are home to game-changing research and technology, an unmatched entrepreneurial culture, and the world's largest co-operative education talent pipeline. We create partnerships and solutions to tackle the challenges of today and tomorrow.
